

WASAGA BEACH TRANSIT UPDATE

Sinton-Landmark Transit Service Provider Beginning Friday August 1, 2014

TOWN OF WASAGA BEACH TRANSIT SYSTEM

Sinton-Landmark will begin operating the Town owned transit bus system as the **NEW Transit Service Provider, starting Friday August 1, 2014**. Please join the Town of Wasaga Beach in welcoming the Sinton-Landmark team. Sinton-Landmark has a long history of transit service provision with a well proven record for efficiency and customer service.

The bus system **schedule and routes remain unchanged**. So, as a commuter and transit patron, there will be no noticeable changes to the transit system. Many of the faces of the transit operators remain the same and a few new faces will quickly become familiar.

The Town of Wasaga Beach looks forward to working together with Sinton-Landmark to provide a top notch transit service. The Town will rely on the Sinton-Landmark expertise to refine and improve service delivery in all aspects of the transit system.

Who do I call if I have questions?

The Wasaga Beach Transit System has a new telephone number. Should you have any specific questions or concerns regarding the transit daily operations, please feel free to contact the Wasaga Beach Transit at:

705-429-SURF (7873)

The Town of Wasaga Beach encourages the residents and visitors to:

- Surf the bus
 - Surf the streets by transit
 - Surf the Link
 - Surf the transit to the surf of the waves
 - Surf the transit to the beach
 - Surf through Wasaga Beach
 - Surf your way to work.....take the transit system
 - Transit....the cool way to surf the Beach

If you have any general comments or suggestions about the transit service, please feel free to contact

Gerald Reu
