Wasaga Beach entered the Communities in Bloom program for 2008 and was a recipient of 5 blooms along with special mentions of being guardians for the piping plovers. Communities in Bloom are a non-profit Canadian organization committed to fostering civic pride, environmental responsibility and beautification through community participation and the challenge of a friendly competition.

We are looking for volunteers to help with our many garden locations for cleanup, planting, and ongoing maintenance. Please call the office at 429-3321 if you wish to volunteer.
