

# BI-WEEKLY YARD WASTE COLLECTION

- Bi-weekly yard waste collection will take place in all municipalities **during designated weeks** in the **spring** and **fall**.
- To determine your collection week, consult the County's waste collection calendar or use the waste collection calendar tool at [simcoe.ca](http://simcoe.ca) where you can also set up personal reminders for your yard waste collections.
- Materials must be out by 7 a.m. on the Monday of your collection week. Collection will occur during the week, and will not necessarily coincide with your collection day.
- Utilize kraft paper yard waste bags, compostable bags, cardboard boxes, or open ended rigid containers.
