PART A – THE PREAMBLE

PURPOSE

The purpose of the Official Plan Amendment is to re-designate the subject lands from “Tourism Accommodation” designation to “Residential” designation. The Amendment intends to re-designate the lands to permit residential development in the form of a 4-storey condominium apartment building with outdoor amenity areas (including roof top), docks (seasonal) and at-grade and underground parking.

LOCATION

The lands affected by this Amendment are known as 66 – 90 River Road East, legally described as Parts 1, 2, 3, 4 and 5, Plan 648 in the Town of Wasaga Beach. The lands subject to this Application have an area of 0.6447 hectares (1.59 acres) 106 metres (348 feet) of frontage on River Road East. The lands also front onto the abutting 20metre (66 foot) unopened road allowance (Beck Street) to the south.

BASIS

The purpose of this Official Plan Amendment is to facilitate a residential development on the subject lands in the form of a 4-storey condominium apartment building. The condominium building will feature rear and roof top amenity areas, boat docks which will be available on seasonal basis, and at-grade and below ground parking. The Amendment would also have the effect of allowing the residential development to have a density of approximately 78 units/hectare, which is 4 units/hectare higher than currently contemplated by the Official Plan.
The proposed Applications will permit the subject lands to develop in an efficient and compact form while contributing to the availability of housing options in the Town as desired by Provincial, County and local planning policy.

The subject lands are ideally positioned for the proposed 50-unit condominium apartment building development. The lands are located inside the “built-up area” of the Town, within the downtown boundaries, and are located in close proximity to commercial and open space amenities, as well as to services such as transit. The location relative to arterial roads, access to public transit, commercial, and open space is ideal for high density residential development. The proposed applications will assist the Town toward achieving its residential forecasts.

The development conforms to and is consistent with the goals and objectives of the implementing upper and lower tier planning policies including the Growth Plan, Provincial Policy Statement, the County of Simcoe and Town of Wasaga Beach Official Plans and represents good planning.
