Wasaga Distribution telephone survey starting next week

Wasaga Beach – Starting the middle of next week, telephone surveyors will be calling local residents to get their thoughts about the future of Wasaga Distribution Inc.

The telephone survey is part of the public consultation process that town council approved to help it decide whether Wasaga Distribution should be sold. Residents receiving a call from surveyors are encouraged to answer the questions.

Residents who have received a survey call already should know the call was not made on behalf of The Town of Wasaga Beach and is in no way part of the town's official public consultation.
