

**TOWN OF WASAGA BEACH  
TRILLIUM CREEK FLOW CONTAINMENT BERM  
CONTRACT No. PW2020-01B**

**NOTICE OF CONSTRUCTION**

Please be advised that the contract for the construction of the Trillium Creek Flow Containment Berm is scheduled to begin by the last week of August. The limits of construction are shown in the key plan below;

The works will include earthworks and weir construction associated with the flow containment berm and trail construction as well as localized road works on the north side of Trillium Creek from Cherry Sands Drive to 45<sup>th</sup> Street.

It is anticipated that this work will be begin by the last week of August and will be substantial complete by mid-December, 2020, with the exception of the restoration work which may extend to the spring of 2021. As you may expect, there will some disruption to traffic during the construction, however every effort will be made to keep this to a minimum.

If you have any specific questions or concerns during construction, please contact the following:
