Town of Wasaga Beach releases 2018 salary disclosure information

Wasaga Beach – Today, the Town of Wasaga Beach released a list of employees who earned \$100,000 or more during 2018.

Under the Ontario Ministry of Finance's Public Sector Salary Disclosure Act, organizations that receive funding from the Province of Ontario are required to disclose the names, positions, salaries, and taxable benefits of employees who earn \$100,000 or more in a calendar year. This information is often referred to as the provincial Sunshine List.

For 2018, the town submitted the names of 34 employees compared to 23 in 2017. The additional 11 employees on the list for 2018 are firefighters. Firefighters received retroactive pay that is part of their latest collective agreement, which was approved through arbitration.

Other factors contributing to the list include the payout of accumulated vacation and overtime. Another factor affecting the number of employees on the list is the Town of Wasaga Beach pays its employees based on a 40-hour workweek compared to a 37.5 or 35-hour workweek that a number of comparable municipalities use.

The following information reflects the report submitted to the Ministry of Finance:
