How to Apply for a Building Permit

Welcome Jane Doe

Step 1: One you have signed into your portal account, select "Apply for a Building/Sign Permit" under the Building Department heading.

Step 2: You will now be prompted to choose the type of application you are applying for from the drop down options. While also providing and answering application specific questions.

Step 3: This step of the application includes selecting all the work items that apply to your project, as well as the square footage of these items.

Step 4: Next verify the location of the project and the applicable contacts.

Step 5: Uploading documents is the next step of the application process. In this step the required forms and documents based on the application type are laid out.

*Please note: Construction Drawings should be uploaded as one document under "Additional Documents".

Step 6: Drag and drop you're completed and signed documents into the corresponding submittal heading.

Step 7: If you do not see a submittal heading for a required document, please upload under "Additional Documents".

Step 8: The final step of the application process requires you to review all previously inputted information. If all this information is correct, submit your application!
