THE DANCE & ART GALLERY EXPERIENCE

Dance by Design is hosting a 30 minute Dance Class where children come together on the dance floor in their preferred style of dance no experience required followed by a 30 minute experience inside Our Art Gallery. The Art Gallery encourages children to express their love of art onto the canvas and or paper with their chosen medium. Pastels, Paint, Charcoal or simply just drawing self expression through art is one of the most powerful means of growth. Includes art smock, easel, canvas, paper, paint, pastels, pencil crayons, crayons, brushes. Your child's art will go home with them and a photo will be taken and placed into a draw for free Dance Classes and Summer Camps 2022.

THE DANCE by DESIGN STUDIO

Our studio is conveniently located between the Wasaga Stars Arena and Osbornes Castle just minutes from the Stonebridge Shopping Centre & Tim Hortons. The studio is an independent building not attached to any other dwelling and is surrounded by windows where you can view your child's dance or art class always.

The property has ample room for parking and is surrounded by incredible gardens and forests which serve as a natural calming feeling for our dancers as they enter and exit their classes and for parents as they wait for their child during class.
