

SUPPORT RT LOCAL COUPON BOOK

BENEFITS OF SUPPORTING LOCAL

Spend your money where it matters the most. By supporting your local businesses you support your community. Invest in local entrepreneurs, jobs, schools, programs, parks, attractions, sports teams, fundraisers, and more walkable and live-able neighbourhoods. Think local first and spend your dollar where it matters the most, for today and tomorrow.

Below are some of the great benefits of supporting local:

Improve the local economy! When you purchase at locally owned businesses, more money is kept in the community because locally owned businesses often purchase from other local businesses, service providers and producers. This helps to circulate money throughout the community. Purchasing local helps grow other businesses as well as the local tax base.

Your community receives greater support! Local business owners tend to donate more to your local charities, programs and events. Local businesses are owned by people who live in your community and are likely to invest in the community's future.

Reduce your environmental impact! Many locally owned businesses often make local purchases, requiring less transportation. In addition, by shopping locally you reduce your own travel time in order to access your purchases and services. All of this leads to less of a negative impact on the environment.

Unique businesses create community character! The character of your local community is largely defined by the businesses found in it. This effects the value of your property and your overall satisfaction with where you live.

Jobs are provided by local businesses! Small local businesses provide jobs to your friends, neighbours and the local community at large. By shopping at your local stores, you are helping to keep these businesses open and more local jobs available.

MESSAGE FROM THE MAYOR

Welcome to our first Wasaga Beach Coupon Book.

This book contains coupons for great deals at participating local businesses.

We thank all our businesses that chose to take part in this publication.

Our hope is that people will visit these participating businesses, utilize the corresponding coupons, and then continue to patronize these places in the weeks and months ahead.

We are so fortunate in Wasaga Beach to have an array of stores and service providers. This includes restaurants, clothing stores, gift shops, florists, automotive repair shops, flooring stores, hardware, food, and the list goes on.

If you are not familiar with all of the commercial choices that exist in Wasaga Beach, please visit our business directory at www.wasagabeach.com. You can also find local business information through the Wasaga Beach Chamber of Commerce by visiting www.wasagachamber.com.

This year, we have seen a number of new businesses open and we know that others are in the works. Clearly, people recognize our community as a great place to set up shop.

If we look 20 or 25 years into the past, we get a good appreciation of the commercial progress we have made to date.

We are grateful to the businesses that have invested in Wasaga Beach and the valuable jobs that they provide.

Our businesses exemplify good corporate citizenship too and we are thankful for their efforts. Our service clubs, hospital, sporting leagues, and other community organizations have all benefited from the generosity of Wasaga Beach businesses.

As our community continues to grow, we expect that additional new businesses will join the commercial landscape of Wasaga Beach. This will allow for even greater shopping choices and reduce the need for trips outside our town to purchase goods and services.

It is imperative that as we go forward we continue to support our local businesses so that they can continue to support us in the many ways they do.

In closing, please enjoy the coupon book and remember to support local as much as possible.

Sincerely,
Nina Bifolchi,
Mayor
