

TOWN OF WASAGA BEACH
West End Flood Channel & Public Works Depot
Site Preparation Tree Clearing
CONTRACT No. PW-2025-25

NOTICE OF CONSTRUCTION

Please be advised that the tree clearing for the West End Flood Channel & Public Works Depot projects, is scheduled to commence in by end of November / start of December 2025, weather permitting. The works will include clearing of existing trees and brush within the work area(s) shown below. The Part B (Provisional) area may or may not be included with the works.

Town staff will be providing the Contract Administration and Inspection Services for this portion of the project. In the coming weeks, there may be personnel completing a non-invasive pre-condition survey of the work area, to evaluate site conditions and take measurements prior to construction.

If you have any questions or concerns relating to the work noted above, please contact the following:

Mike Pinicivero, P.Eng.
