TRANSIT MASTER PLAN

Your feedback matters.

The Town of Wasaga Beach is developing a 10-Year Transit Master Plan to guide the future of local transit. Based on a review of current services and community feedback, we've created conceptual transit networks for the next decade.

Come visit our booth at the Home Energy Savings Symposium to learn more about what future transit could look like and share your feedback to help shape the plan.

Community Engagement Pop-Up – Round 2

🕒 6:00 - 9:00 PM 📅 Tuesday, October 21

📍 Wasaga Stars Arena - 544 River Road West
