

**TOWN OF WASAGA BEACH
PRIDHAM PARK PEDESTRIAN BRIDGE REPLACEMENT
CONTRACT No. PW2022-14**

NOTICE OF CONSTRUCTION

Please be advised that the contract for the construction of the Pridham Park Pedestrian Bridge Replacement is scheduled to begin shortly. Ferdom Construction has been awarded the Contract to complete the work, and the site is north of Pridham Court, east of Club Court as shown below.

The works will include replacement of the existing pedestrian bridge, helical pile installation, new abutments, sedimentation and erosion control measures, and site restoration. Tree clearing has already been completed ahead of the nesting period as per the Migratory Bird Regulation. It is anticipated that the Contractor will begin mobilizing onsite the 2nd week of August and will be substantially complete by the end of September 2022. As you may expect there will some disruption to traffic during the construction, however every effort will be made to keep this to a minimum.

We ask residents that are parking in the area to utilize the disk golf course to park in the area around the entrance and path at Morgan Road to avoid unnecessary wait times at Pridham Court during construction activities.

If you have any specific questions or concerns relating to the Pridham Park Pedestrian Bridge Replacement project during construction, please contact the following:
