Offender Management Apprehension Program

Each week, the Huronia West OMAP coordinator circulates information on new warrants and wanted individuals within the community to ensure frontline officers remain informed and alert.

In January 2026, a convicted offender was released to the Huronia West area under two Conditional Sentence Orders that included strict house-arrest conditions which prompted regular compliance checks.

In March 2026, Probation reported concerns that the offender may not be adhering to his conditions. Huronia West OMAP initiated an investigation, working in coordination with the Bail Support Team, CSCU, and the ROPE. Through joint efforts, investigators confirmed the breach, located the offender, and effected an arrest without incident.

The offender was promptly returned to custody, preventing further non-compliance and ensuring community safety.

In April 2026, details were shared regarding a wanted individual known to frequent the Wasaga Beach area. Just 38 minutes after the information was distributed, an officer having reviewed the email, recognized the individual walking in the community and effected an arrest. This demonstrates the value of timely intelligence sharing and proactive engagement by Huronia West members.

Community Engagement

P/Cst McGinnis and Cadet Meek have attended local schools (Worsley, St, Noel, Birchview, Nottawa and WBPS) and presented on Cyber Safety and Keeping Kids Safe in the Online World.

- Attended the Wasaga Beach flag raising for International Women's Day.
- Attended CF Borden along with Inspector McCracken for Vimy Day Ceremony and Breakfast
- Visits to schools for lockdown drills, visits to youth centre, collecting applications to Youth in Policing Initiative student position.
- The Bike Smart program will be offered to all schools in May.
- Auxiliary and uniform members attended various community Easter weekend events.

Motorized Snow Vehicle (MSV) Initiatives

- Huronia West OPP Detachment had a successful winter patrolling MSV trails. Over 250 MSV's were stopped for licensing, insurance and trail pass checks.
- Huronia West officers issued more than 20 Provincial Offence Notices during the season, also issuing several educational warnings for future compliance.
- Visibility of law enforcement on trails is the most effective means to increase public and trail safety on Huronia West's well travelled trail system.

Grant Partnership

OPP Responsibilities

- The OPP is available to support planning, application development, operational delivery, and reporting.
- Funding cannot flow through OPP via journals, invoices, or other financial mechanisms (except for paid duties).
- Detachments cannot issue invoices without an executed MOU or contract.
- The OPP remains fully committed to collaborating on project planning and development, assisting with applications and reporting through relevant OPP data and statistics and providing operational expertise.

Municipality Responsibilities

- Municipalities are the eligible applicants and signatories to the TPA (Transfer Payment Agreement), and therefore are responsible for receiving and administering funding, completing required report-backs, ensuring compliance with TPA reporting obligations and conducting appropriate due diligence on any proposed project partners.
- Grant funding flows directly to the municipality.
- If officers' salaries are included in a grant budget, municipalities may use their Municipal Policing Bill for grant report-back purposes and funds remain within the municipalities to offset municipal billing costs.
- Municipalities are strongly encouraged to consider written agreements with external project partners outside of the TPA itself, to clearly define roles, deliverables and financial responsibilities.
- It is essential that municipalities conduct their own review, conflict of interest assessment, and due diligence of any proposed project partners prior to application submissions.

Staff Training

Item 6.

9 Officers/Special Constables have completed annual block training – to recertify officers in their use of force, policy, etc.

Dear Leaders,

On behalf of the OPP Detachment Board – James Bay East I am pleased to offer this letter in strong support of Victim Crisis Assistance Ontario (VCAO) agencies across the province and the development of a coordinated Provincial Bail Notification Program.

VCAO organizations are essential partners in community safety and well-being. They provide immediate, trauma-informed support to individuals and families affected by crime and tragic circumstances, often at the most vulnerable moments in their lives. Their staff and volunteers work closely with police services to ensure survivors receive timely safety planning, crisis intervention, and connections to critical supports. This partnership enhances our ability to respond effectively, reduces risk, and strengthens trust with those we serve.

Timely and reliable bail notification is a vital component of victim safety. The current system is inconsistent across jurisdictions and leaves survivors at risk when they are not informed of release conditions or bail decisions that may impact their safety planning. A province-wide bail notification program, led in partnership with VCAO agencies, will ensure victims receive clear, coordinated, and rapid notification, regardless of where the offence occurred or where the accused is released. This is not only a matter of safety but also an essential part of ensuring victims' rights, dignity, and confidence in the justice system.

The OPP Detachment Board- James Bay East fully supports:

1. Strengthened investment in VCAO agencies, recognizing them as critical frontline partners in community safety and in supporting survivors of crime.

2. A standardized, province-wide bail notification system, designed in partnership with police services, VCAOs, and justice partners to promote timely communication, reduce risk, and improve outcomes for victims.
3. Ongoing collaboration between police and VCAO, including shared training, coordinated response models, and information pathways that improve both public safety and victim care.

VCAO agencies deliver high-quality services that directly complement police response. A provincial bail notification program will further enhance our collective ability to keep communities safe and uphold the rights of survivors. We urge the Government of Ontario to move forward with the development, implementation, and sustainable funding of this program.

Thank you for your consideration. The OPP Detachment Board-James Bay East is committed to working collaboratively and constructively with our VCAO partners and with provincial ministries to support this important and urgently needed initiative.

Yours truly,

OPP DETACHMENT BOARD-JAMES BAY EAST

Huronian West O.P.P. Detachment Board **2024 Annual Report**

Message from the Board Chair

**Mayor Brian Smith – Wasaga
Beach
Huronia West OPP Detachment
Board Chair
October 2024 - Present**

On behalf of the Huronia West OPP Detachment Board, I am pleased to present the 2024 Annual Report.

As the Board continues its work, we remain committed to fulfilling our roles and responsibilities under the Community Safety and Policing Act (CSPA). We recognize the importance of strong governance, transparency, and collaboration in supporting effective, community-based policing.

The Board wishes to extend their deepest thanks and appreciation to all members of the Huronia West OPP Detachment for their continued dedication, professionalism, and commitment to public safety. The Board recognizes and values the vital role you play in maintaining peace, fostering trust, and building safer communities.

Message from the Detachment Commander

**Inspector Brooke McRoberts
Huronia West OPP Interim
Detachment Commander**

It is an honor to collaborate and work alongside the Huronia West Detachment board in presenting the 2024 Annual Report. We look forward to continuing the work with the Huronia West OPP Detachment Board to form the 2026-2029 Huronia West Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make.

From detachment administrative staff to frontline uniform members, to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety. On behalf of our members, thank you to the Huronia West Detachment Board for their unwavering support.

Introduction

In 2019, the province announced that significant changes would be made to policing services with the passage of Bill 68, the Community Safety and Policing Act (CSPA). The Act comes into force and effect in 2024 and replaced the Police Services Act (PSA). From the Province’s perspective, the CSPA is an opportunity to modernize policing and enhance community safety in Ontario.

With the CSPA, OPP Detachment Boards were formed to work collaboratively with the Detachment Commanders and to provide civilian oversight and input on policing. The Boards help to determine policing priorities and objectives while ensuring accountability and transparency. The role of Detachment Boards are outlined in Section 68 of the CSPA.

The Huronia West OPP Detachment Board includes representatives from Clearview Township, Township of Springwater, Town of Wasaga Beach and the Province.

Annual Reporting Requirements

Section 68 (1) of the CSPA outlines annual reporting requirements and states the OPP detachment board shall:

on or before June 30 in each year, provide an annual report to the municipalities and band councils regarding the policing provided by the detachment in their municipalities or First Nation reserves.

This report has been prepared to satisfy this requirement of the CSPA (2019) for the Huronia West OPP Detachment Board (referred to thereafter as ‘the Board’).

2024 Board Activities

Governance

The Board includes eleven members with the following composition:

- Two (2) Council Member representatives from each municipality;
- One (1) community representative from each municipality; and
- Two (2) provincial appointees

Communities Serviced	Total Council Seats	Total Community Representative Seat(s)	Total Provincial Appointment Seat(s)	Total Seat(s)
Clearview, Springwater, Wasaga Beach	6	3	2	11

Board Member Appointments

Recruitment for Members occurred in early 2024, with the following nine (9) members appointed in 2024:

- Mayor Doug Measures, Clearview Township (Board Vice Chair)
- Councillor Marty Beelen, Clearview Township
- Deputy Mayor George Cabral, Township of Springwater
- Councillor Phil Fisher, Township of Springwater
- Mayor Brian Smith, Town of Wasaga Beach (Board Chair)
- Councillor Sasha-Rose Dileo, Town of Wasaga Beach
- Bill Plewes, Community Representative Clearview Township
- Paul Kellachan, Community Representative Township of Springwater
- Dan Trafford, Community Representative Town of Wasaga Beach

The Ministry representative positions remained vacant in 2024.

Board Member Training

All appointed members completed the following training modules in 2024:

- OPP Detachment Board Member Training;
- Human Rights;
- Ontario's Diverse Multiracial & Multicultural Society;
- Systemic Racism; and
- The Rights and Cultures of First Nations, Inuit and Metis Peoples.

Board Meetings

The Board conducted its inaugural meeting on October 28, 2024, and held a subsequent meeting on December 4, 2024.

Under the advice of the Ontario Association of Police Services Boards (OAPSB), Board meetings were delayed to ensure the Board could obtain indemnity insurance; this was a province wide issue that affected all Detachment Boards.

Board By-laws and Policies

The Board adopted By-law 24-01 to govern the proceedings of the Huronia West OPP Detachment Board, and to govern the conduct, duties and responsibilities of its members and the calling of meetings.

The Board also adopted an Abuse, Violence and Harassment Policy.

Board Budget Estimates

The Board prepared budget estimates detailing the total amount necessary to cover the operational expenses of the Board and provided these to the three municipalities.

I am pleased to present the Huronia West Detachment – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data and highlights initiatives and successes from the past year. 2024 represents the midway point of the Huronia West Detachment 2023-2025 Action Plan and this report provides updates on our progress in meeting our Action Plan commitments.

I am continually impressed by the passion and commitment the officers of Huronia West Detachment have for preserving public safety in this community and I am very proud to highlight their efforts. In 2024,

- We maintained our commitment to traffic safety and prioritized the “Big 4” offences of impaired driving, seatbelts violations, speeding and distracted driving. This resulted in over 5,500 charges being laid in the Huronia West Detachment area.
- Based on concerns from community members, we increased our efforts in commercial motor vehicle enforcement. This resulted in over 250 Level 1 and 2 inspections and over 2000 charges. We continue to prioritize the removal of unsafe commercial motor vehicles from our roadways to ensure the safety of all.
- We continued to leverage technology, including Body Worn Cameras, In-Car Cameras, ALPR to support the collection of evidence, increase transparency and enhance public and officer safety.
- We worked alongside our Municipal Policing partners to support cross-jurisdictional investigations combating Human trafficking, auto-theft and drug trafficking to ensure the continued safety of our communities and people.
- We partnered with community-based organizations such as Collingwood General and Marine Hospital, Royal Victoria Hospital and Kinark Child and Family services to develop/implement co-response models that enhance our ability to respond to mental health-related calls.
- We partnered with community-based organizations The Busby Center and Simcoe County Housing to better support victims by connecting them with local resources.
- We continued to engage with groups and organizations in our area to build relationships and promote community safety and well-being. We attended numerous proactive events focused on youth and wellness. We supported special Olympics with a volunteer basketball game, we coordinated a girl's volleyball fun game versus detachment members to support youth and create opportunities for positive interactions with police.
- We support the OPP Northern Deployment Program, which provides our officers with opportunities to deploy to Indigenous communities in Northern Ontario where they provide policing for two-week intervals. This is an excellent way for our members to build relationships, understand culture and develop lived experience and perspectives.
- We supported the development of our auxiliary unit and expanded the unit to five and will continue to prioritize this important unit.

In 2025, we will be working with the Huronia West OPP Detachment Board to form the 2026-2029 Huronia West Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make.

Development of the 2026-2029 Huronia West Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support. Section 8.1

The Huronia West Detachment – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements. In collaboration with relevant OPP program areas, working groups and Huronia West OPP Detachment Board, this report will continue to develop in the years to come to include content from the OPP Detachment Board Chair(s) and additional data and updates from the OPP.

From detachment administrative staff to frontline uniform members, to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

HURONIA WEST

Summary of Commitments

Item 8.1

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
The Huronia West Detachment is committed to addressing intimate partner violence by ensuring: • Offences related to intimate partner violence are investigated thoroughly with supervisory oversight and reviewed regularly. • Offenders are arrested and charged appropriately. • Immediate and long-term needs of survivors of intimate partner violence are met and they are safe. The Huronia West Detachment will focus on investigations where the offence of sexual assault is alleged to ensure: • Offences related to sexual assault are investigated thoroughly by an officer trained to do so, with supervisory oversight and reviewed. • Offenders are arrested and charged appropriately. • Immediate and long-term needs of survivors of sexual assault are met and the appropriate community services are offered. A priority for the Huronia West Detachment will be addressing crime, disorder and the ancillary offences related to drugs, firearms and property crimes in our communities focusing on: • Reducing the numbers of opioid overdoses. • An overall decrease in all violent crime offences including those that involve firearms. • A drop in property crime offences such as break and enter and thefts.	Aggressive driving continues to be a threat to public safety in the communities of Springwater, Clearview and Wasaga Beach. We are committed to taking the necessary educational and enforcement steps to prevent the dangerous behaviours of drivers before tragedies occur on our roads, our waterways and our trails. Huronia West Detachment is committed to ensuring the safety of everyone sharing our roads by ensuring that commercial motor vehicle (CMV) safety is paramount, that they are not overloaded and that they are being safely operated by qualified and responsible operators. Huronia West Detachment is committed to ensuring timely response, investigative excellence and a victim-centered approach to traffic complaints and collisions on our roadways, waterways and trails.	Mental Health is a priority to the Huronia West Detachment and we will ensure we work in collaboration with community services to improve and support the police response to persons in crisis, mental health, and substance abuse issues. Partnerships are an essential part of solving crime in our communities. Huronia West Detachment is committed to working in collaborative partnerships through community outreach and engagement with residents, business owners and visitors to ensure the safety of all. Wellness in the community and within the Detachment is essential so that we can serve and keep our communities safe. The Huronia West Detachment is committed to providing a safe and positive working environment to keep our members healthy and resilient. We will strive for an environment where members feel supported, satisfied, motivated, collaborative and willing.

Commitment	Progress Update
The Huronia West Detachment is committed to addressing intimate partner violence by ensuring: • Offences related to intimate partner violence are investigated thoroughly with supervisory oversight and reviewed regularly. • Offenders are arrested and charged appropriately. • Immediate and long-term needs of survivors of intimate partner violence are met and they are safe.	2024 saw the development and addition of the Detachment Abuse Issues Investigator (DAII) position to our crime unit. This full-time detective position will be responsible for reviewing all Intimate Partner Violence (IPV) occurrences at detachment, supporting investigations and community outreach and engagement pertaining to abuse issues. All supervisors have received the IPV Investigators course and the Supervisor training. We are attempting to ensure that all frontline members receive the IPV investigators course. Supervisors continue to ensure that investigations are thorough and comply with OPP policy prior to approving occurrence reports. The Central Regional Abuse Issues Coordinator also supports the detachment by conducting regular audits/reviews to ensure compliance and follow up.
The Huronia West Detachment will focus on investigations where the offence of sexual assault is alleged to ensure: • Offences related to sexual assault are investigated thoroughly by an officer trained to do so, with supervisory oversight and reviewed. • Offenders are arrested and charged appropriately. • Immediate and long-term needs of survivors of sexual assault are met and the appropriate community services are offered.	2024 saw a slight decrease in Sexual offences for Huronia West Detachment. All sexual assault investigations are overseen by qualified investigators with the required training for this role. Continually building on the expertise and skills of our members will be a priority in 2025. This will be achieved through ensuring members are provided specialized training to ensure investigative excellence related to victim centered approaches, investigative techniques and investigative interviewing. A victim centered approach is of the utmost importance to the Huronia West Detachment and developing strong relationships with our community partners specializing in victim support ensures a seamless response of investigative excellence and wrap around care, service and support for community members impacted by these offences. In 2024, Huronia West Detachment had the ability to add a fulltime Offender Management and Apprehension Program coordinator to provide operational and administrative support to the frontline. The OMAP coordinator is responsible for monitoring offenders on release conditions, prioritizing compliance checks, ensuring the compliance checks are documented and recorded, as well as supporting any resulting breach investigations including crown briefs and laying charges. The focus of this role is intended to enhance offender compliance and reduce recidivism.

A priority for the Huronia West Detachment will be addressing crime, disorder and the ancillary offences related to drugs, firearms and property crimes in our communities focusing on: • Reducing the numbers of opioid overdoses. • An overall decrease in all violent crime offences including those that involve firearms. • A drop in property crime offences such as break and enter and thefts.	The Community Street Crime Unit (CSCU) and detachment Crime Unit worked together to coordinate criminal investigations across the detachment area and continue to do so, partnering with other police services and additional specialized units within the OPP such as the Organized Crime and Enforcement Bureau (OCEB), and Tactics and Rescue Unit (TRU). CSCU worked diligently throughout the past year. They engaged in 145 investigations leading to 104 criminal charges and were responsible for the seizure of significant amounts of controlled drugs and substances with an estimated street value of \$60,900 and they seized \$19,060 in currency as proceeds of crime. They also recovered stolen property and seized 5 firearms and 3 replica firearms. This unit worked collaboratively with neighbouring detachments and CSCUs across the region, capitalizing on the benefits of shared resources.	Item 8.1

Commitment	Progress Update
Aggressive driving continues to be a threat to public safety in the communities of Springwater, Clearview and Wasaga Beach. We are committed to taking the necessary educational and enforcement steps to prevent the dangerous behaviours of drivers before tragedies occur on our roads, our waterways and our trails.	We continue to increase detachment presence on social media platforms and leveraging avenues for public education and awareness. Throughout 2024, Huronia West Detachment focused on enhanced presence and strategic deployment of resources during long weekends and identified high traffic volumes periods within the detachment area. This was completed through focused vehicle patrols, RIDE programs and overall increased visibility throughout the communities (foot and bicycle patrols included). Huronia West continues to be a provincial leader throughout Provincial Traffic campaigns in 2024. We will continue to increase proactive presence in 2025 through increased marine, ATV, motorized snow machines and bicycle patrols. Our Force motorcycle program now consists of two riders and will provide opportunity for increased motorcycle patrols in 2025. In efforts to continue public education and proactive awareness, Huronia West Detachment will prioritize increasing our compliment of media trained officers in 2025 to ensure that we are connecting with the public through methods and mediums relevant to our community.
Huronia West Detachment is committed to ensuring the safety of everyone sharing our roads by ensuring that commercial motor vehicle (CMV) safety is paramount, that they are not overloaded and that they are being safely operated by qualified and responsible operators.	A priority identified through public concerns to Huronia West Detachment centered on increased CMV traffic through the detachment area for road safety. Throughout 2024 Huronia West detachment conducted 132 Level 1 CVSA inspections and 123 Level 2 CVSA inspections. Of these inspections, 2000 tickets were issued, comprised predominately of the following: • 30 Dangerous Goods Transportation Act • 174 documents related charges • 252 equipment related charges- improper tires, brakes, coupling devices • 1097 weight related charges- overweight on axles, overweight on tires, excessive weight • 378 misc. CMV charges Commercial Motor Vehicles non-compliant with legal specifications and regulations will continue to be a priority for Huronia West Detachment to ensure awareness of regulatory obligations of owners and drivers. Efforts will be made in 2025 to ensure proactive education is available to owners and drivers on their obligations and liabilities.

Huronia West Detachment is committed to ensuring timely response, investigative excellence and a victim-centered approach to traffic complaints and collisions on our roadways, waterways and trails.	While there was a decrease in motor vehicle collisions in 2024, elements beyond human control did play a significant factor. Weather related incidents, primarily property damage collisions, account for a significant portion of these collisions. Huronia West Detachment will continue to ensure appropriate distribution of resources to ensure a timely response across our detachment area. Increased ATV and Marine patrols in partnership with our OPP detachment neighbors will be a focus for our waterways and trails to ensure a continued timely and victim centered response for all collision types.	Item 8.1

Commitment	Progress Update
Mental Health is a priority to the Huronia West Detachment and we will ensure we work in collaboration with community services to improve and support the police response to persons in crisis, mental health, and substance abuse issues.	In 2024, Huronia West Detachment saw an increase in total mental health related occurrences. There has been a 39% increase in calls showing a mental health uniform crime reporting (UCR) code since 2020. The detachment Mobile Crisis Response Team (MCRT) is critical in responding to these types of incidents and in conducting follow-up calls and visits with those involved. They build rapport with involved persons and ensure they are receiving the appropriate community supports they require to address their individual circumstances. This approach is in effort to reduce the number of additional calls for service involving the same individuals. In 2024, Huronia West Detachment was able to permanently dedicate a full-time officer to the program. Through Ministry of the Solicitor General grants and a collaborative partnership with Collingwood General and Marine Hospital, we have augmented our staff and coverage to provide 6 days per week coverage, freeing up additional frontline resources. Project Lifesaver is a non-profit, locating technology program dedicated to assisting and responding to the challenges faced by caregivers of loved ones who may wander because of Alzheimer's disease, autism, Downs syndrome and dementia disorders. Clients can register with Project Lifesaver and are provided with a wristband, like a watch, that emits a unique tracking signal. Should that individual go missing, we will use the locator technology as part of our search and rescue operations. The addition of the locating technology will not change standard operating procedures for responding to a missing persons incident. It is an additional tool for our members to access to increase supports for vulnerable members of the community.
Partnerships are an essential part of solving crime in our communities. Huronia West Detachment is committed to working in collaborative partnerships through community outreach and engagement with residents, business owners and visitors to ensure the safety of all.	Huronia West Detachment MCRT team regularly participates in case conferences with CGMH psychiatrists to review files that may be more challenging or complex and receive thoughts and recommendations from our team members. MCRT relies on our collaborative relationships with our community partners. MCRT can refer youth and parents/guardians to Kinark Child and Family Services Crisis Services expeditiously to ensure that Kinark will then provide support, therapy and case management as needed. Similarly, MCRT liaises with RVH child and youth programs and adult programs. This allows again for appropriate and responsive follow up. MCRT works with John Howard Society to support patients in re-integrating into society after incarceration or youth at risk. The community partnership with Busby is critical for outreach support, allowing people to live

	with autonomy but also receiving appropriate and needed/wanted support. MCRT relies heavily on our relationship with CGMH Mental Health Outpatient programs for care coordination. This reciprocal relationship allows us to support each other more fulsomely to the benefit of clientele and in decreasing repeated calls for service. This collaborative approach also allows service providers to better assess and coordinate needs for seamless patient care, apprehend when needed or avoiding unnecessary apprehensions. MCRT has built relationships with Indigenous services providers such as the Barrie Native Friendship Centre, Barrie Native Friendship Centre Justice Program, Mamaway and DBCFS in order to provide culturally responsive and centred care along with care coordination. MCRT frequently coordinates with the Children’s Aid Society for further information and on occasion to assist them with specific investigations. MCRT draws on the expertise of Catulpa Support Services to provide additional support for those with developmental delays. This connection has proven very valuable, in situations when officers come across people who are supported by Catulpa, MCRT has the contacts to reach out to their adult protection social worker for care coordination/planning. MCRT’s partnership with Simcoe County Housing is critical to the Huronia West Detachment, as the collaborative approach and messaging has reduced the number of repeat calls for services in some locations. Highlighting the important role community partnerships have in contributing to overall community safety. MCRT conducts focused patrols in areas known to have homeless encampments for wellness checks, along with Busby and Wasaga Beach Fire. They have attended with Springwater and Clearview Fire services for case collaboration, as well to assure homes meet minimum standards, landlord responsibilities and worked with Springwater Township regarding fire and landlord responsibilities. Additionally, MCRT partners with the EMS navigator for complex care patients. They are then able to take over, thus relieving MCRT from significant case management reducing times on calls and follow ups. MCRT participates in Probation and Parole meetings, thus informing Huronia West Detachment of who is being supported by Probation and Parole, better understanding of what they are able to do, and a number of the patients we deal with are also supported by Probation and Parole thus leading to better care coordination.	Item 8.1
--	---	----------

	Item 8.1 MCRT frequently serves as a liaison from one agency to another thus connecting two agencies to better support our clients/patients. MCRT provides consultation to our community partners as needed and to provide follow up support to our clients. Front line officers are able to refer to MCRT for follow up when we are not available to respond to live calls. This assures patients are provided support when they need it in a way that is most supportive.
Wellness in the community and within the Detachment is essential so that we can serve and keep our communities safe. The Huronia West Detachment is committed to providing a safe and positive working environment to keep our members healthy and resilient. We will strive for an environment where members feel supported, satisfied, motivated, collaborative and willing.	In 2024 the Huronia West Detachment worked to reduce stress impacts of the workplace and support a healthy workplace. Supports included acquisition of office equipment and facility upgrades targeted to improve workplace safety and increase physical safety in the workplace. Members of the OPP's Healthy Workplace team regularly attend the office as an opportunity for support to any members of the Huronia West team as needed. Resources and personnel are regularly accessed at the conclusion of critical incidents to ensure members are supported and provided opportunity to debrief amongst their peers or with professional support as best suits their individual needs. Investments made in our workplace culture included collaboration with other community partners to encourage healthy activities and wellness initiatives, including sporting activities between officers and community youth.

- Based on current crime trends and/or requests from the community, Huronia West Detachment led crime prevention initiatives focused on seniors' safety. We worked alongside community partners to participate in the Wasaga Beach Seniors Expo to increase awareness and education on crime trends specific to seniors.
- Based on concerns from community members, Huronia West Detachment increased efforts related to commercial motor vehicles and road safety. This resulted in extensive charges and unsafe vehicles being removed from our roadways, as shown in our data.
- Huronia West Detachment attended Forest Hill Public School to engage with youth and promote public safety and wellness through proactive participation in the Annual Fun Run and Bike Ride.
- Huronia West Detachment continued to engage with community groups and organizations in our area to build relationships and promote community wellness. In 2024, we led our annual "Shop with a Cop" initiative in partnership with many community groups and local businesses to support 25 families through the holiday season. We are excited to have the involvement of Wasaga Beach Fire Department and aim to continue to strengthen and build on our community partnerships for this fantastic community initiative in 2025.
- Building and strengthening relationships with First Nations, Inuit and Métis communities remain priorities for the OPP and the Huronia West Detachment. In 2024, we sought out Indigenous specific resources through the Barrie Native Friendship Center to better serve Indigenous community members with culturally responsive services within the Huronia West Detachment area.
- Huronia West Detachment is committed to supporting the Special Olympics and in 2024 took part in the Tim Hortons Special Olympics donut campaign and supported a local event - the Special Olympics basketball tournament hosted at Stayner Collegiate.
- Huronia West Detachment supported OPP recruitment events in partnership with Uniform Recruiting through hosting an information session and display complete with OPP recruiting vehicles.
- Huronia West Detachment members regularly support local events, such as McHappy Day at local McDonald's and Tims Hortons Smile Cookie Campaigns at various locations in the detachment area throughout the year.

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA).

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

CONTACT THE OPP

REACH THE OPP BY PHONE

- Know your location: Be ready to describe your surroundings. Look for addresses, landmarks and buildings that may help identify your location.
- Call 9-1-1 if there is immediate risk to someone's life or property.
- Don't hang up, stay on the line
- Call 1-888-310-1122 for non-life-threatening incidents that require police attention
- TTY 1-888-310-1133, or Agent 511 for registered subscribers (for the Deaf, Hard of Hearing and Speech Impaired)

PROVIDE AN ANONYMOUS TIP

- Call Crime Stoppers at 1-800-222-8477 (TIPS)
- Visit www.crimestoppers.ca

SPEAK WITH AN OFFICER FOR ALL OTHER MATTERS

To arrange to meet an officer at a detachment, go to www.opp.ca to use the Local Detachment Finder and follow the prompts.

REPORT AN INCIDENT ONLINE

You have the option to report select occurrences to police from the convenience of a computer.

Visit www.opp.ca/reporting to use the Citizen Self Reporting system. Specific incidents can be reported online without attending a detachment or waiting for an officer.

You can use this system to report:

- Theft Under \$5,000
- Mischief / Damage to Property Under \$5,000
- Mischief / Damage to Vehicle Under \$5,000
- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)
- Theft of any type of gasoline from a gas station
- Driving Complaints
- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)
- Theft of any type of gasoline from a gas station
- Driving Complaints

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
